June 2011

As the official school uniform supplier for your school, we are concerned each year that students who did not place their orders in the spring, come to our store as soon as possible in the summer to assure they are in uniform at the start of school. With this in mind, it is quite helpful if a reminder could appear in your Church or School Bulletin, or as an email blast telling parents that our store is now open for "back to school".

We would appreciate it if this information could run for the next several weeks. Please feel free to adjust the message for your space restrictions. Thank you very much for your help.

**JUST ME APPAREL, OUR SCHOOL UNIFORM SUPPLIER, WILL RE-OPEN
