Houghton Mifflin Reading,

From the Director...

This is the final issue of The e-Vangelizer for the 2008-2009 school year. Many thanks to all who have contributed regularly! I hope to see many more schools participate in this resource of sharing GOOD NEWS, inspiring stories, and requests for prayers for all in the Catholic education faith community.

It was a pleasure to meet with so many elementary principals last week at the Principals' Institute! Please remember to share your special news and events in more detail and with pictures by sending articles for the Catholic Education Office web pages. You may submit your articles and .jpg pictures to suebrown@archstl.org! It's free marketing!

On behalf of all of us at the Catholic Education Office, best wishes to all for a safe summer filled with rest, relaxation and renewed energy as we prepare for another academic year in the fall.

Blessings...Sue

Congratulations...

Kennedy Catholic High School rising seniors, who recently completed **Focus St. Louis' Junior Leadership Program**, hosted a three-day leadership camp for middle school students nominated by their principals. Students were mentored through "**Camp Lead, (Leadership Exercises and Direction)**" learning facilitation and presentation skills. Students were encouraged to share new knowledge with their Catholic grade schools in the fall.

St. James students competed in the Greater St. Louis Science Fair at Queeny Park. Every student team that entered a project into the competition received recognition. The following ribbons were won: **7th Grade:** Claire Stolwyk, Anastasia Pitts, and Kathryn Waters won a Blue Ribbon and received the Discovery Award. **6th Grade:** Gabriella Trebus, Jack Meeseey, and Oswaldo Hernandez won a Blue Ribbon and received the ***Discovery Award**. Mikayla Pitts and Mason McGavock won a Blue Ribbon and received the Discovery Award. **5th Grade:** Audra Laird, Alena Chulick, and Patrice Lewis won a Red Ribbon and received recognition from the American Chemical Society. Thomas Marshall, Andrew Thomas, and Briana Pitts won a Green Ribbon (third place) and received recognition from the Butterfly House.
