# Kids Making Change

Dear Parent or Guardian,

Over the next few weeks, your child will have the tremendous opportunity to learn, first hand, the powerful feeling that comes from doing something to help others. Your child's school will be participating in The Leukemia & Lymphoma Society's (LLS) School & Youth Programs, Pennies for Patients® and Olive Garden's Pasta for Pennies®. This is the 18<sup>th</sup> year that Pennies has taken place in eastern Missouri, southern Illinois, eastern Tennessee, northern Mississippi, and the entire state of Arkansas, and we are excited to have the participation and the enthusiasm of teachers and students across the state.

Pennies for Patients is a service learning program in which kids collect spare change to help people with blood cancers. Funds are collected from friends and family in honor of local student survivors and current patients. In addition, many schools implement learning activities, kickoff assemblies or classroom competitions. *Depending on your school's preference, there are also prizes and awards for classrooms and schools.*

We need your support, too. When you receive this letter, please take a moment to speak with your child about the value of helping others, then flip over the couch cushions or look under the car seats for spare change!

Credit card donation can be made by calling (314) 878-0780 or (800) 264-2873. If you prefer to send donations to the office, please send them to The Leukemia & Lymphoma Society, 77 Westport Plaza, Ste. 101, St. Louis, MO 63146. In order for your child's classroom to be credited, any donations called in or sent to the office need to include your child's name, teacher, and school.

Please join in the fight against blood cancers by supporting your child's participation in this year's fundraising effort. Thank you!

Thank you for your support!

Sincerely,

*Jennifer Schroeder*
